### BALD HILL BUILDERS GENERAL CONTRACTING SERVICE THAT WORKS FOR YOUR BUSINESS

Bald Hill Builders provides our clients with an expert team of experienced professionals to manage each project. Our team has significant experience in negotiating with tough building and city officials. The success of any project is driven by our Project Team based (s/b Team based) approach in which all participants in the project fully understand the owner's goals and objectives. Aggressive competitive subcontractor bidding, value engineering and cost control will be performed to obtain a better value for lower costs, both short and long term.

Bald Hill Builders recognizes that any project's goal is to meet the owner's needs and those of the eventual end user. As a result, we offer our clients a complete range of preconstruction services that take into consideration everything from budgeting and timing of the project to eventual building use and design metrics to deliver a complete, on-time and on spec project that meets your visual and financial requirements
