- *Wednesday, December 19, 12-1PM*

If you're on the career hunt, have you considered getting into the tech industry? Right now there is a high-demand for tech workers in Massachusetts and the job openings pay well. Plus employers are looking for talent like you who have a knack for tech and can give them a more diverse perspective that helps them stay more connected to their customers.

Apprenti is a registered apprenticeship program that gives you a path and plan to a career in the tech industry. It's a simple process:

- > All you have to do to get started is take an online assessment. Highly ranked candidates will be invited to interview with staff. The best candidates advance to company interviews, and if you're a fit, you'll be offered an apprenticeship role.
- > Once accepted, you'll be placed into 2-5 months of full-time technical training in your occupational area.
- > Once you complete training, you'll start your paid on-the-job portion of apprenticeship with one of Apprenti's many hiring partners such as PTC, Wayfair, Cengage, Harvard University Information Technology, Partners Healthcare and Carbon Black.
- > After graduating from your apprenticeship, you'll have the opportunity and experience to qualify to be retained with your hiring company.
