Home Health Aide Training

Do you want to work as a Home Health Aide?

As an HHA, you will...

- Assist patients with daily tasks such as cooking, cleaning, bathing, and housekeeping
- Help patients to stay in their own homes
- Care for patients according to their specific medical and physical needs

This is rewarding and important work. This is a very in-demand job, and our training will prepare you to start working as an HHA right away.

Schedule:

- Starting February 2023
- 15 weeks
- Mondays, 9:30 AM - 3:00 PM
- In-person at our school in Dorchester

Program Requirements

- 18 years or older
- U.S work authorization
- High school diploma or equivalent
- High-intermediate/advanced English
- Fully vaccinated/boosted against COVID-19
- Women only

All registration is virtual. The application is on our website, www.muaboston.org.

Call or email with any questions. Space is limited and this training fills quickly.
