

Housekeeper

LAHEY HEALTH WANTS TO MEET YOU!

If you're looking for a place to work where you are appreciated, look no further than Lahey Health. This is the perfect opportunity to start your career in healthcare with a growing organization. Responsible for a variety of cleaning and related functions throughout the hospital and ambulatory clinics, you will be making a difference in the lives of our patients and their families. On a regularly scheduled basis, you will:

Perform scheduled daily cleaning of patient rooms, including:

- Emptying and relining waste receptacles, paying particular attention to the safe and proper handling of hazardous waste
- Making beds when unoccupied as well as checking to be sure beds are functioning properly and if not, notifying maintenance when repairs are needed
- Dry mop, wet mop, and disinfect floors
- Damp wipe and spot clean surfaces with disinfectant
- Clean and disinfect bathroom commodes and other fixtures
- Clean rooms of discharged patients
 - Use pager and telephone in accordance with the Beds Tracking System to receive and record successful completion of cleaning assignments
 - Clean, disinfect and re-make beds
 - Other duties as directed

Qualifications

The ability to follow instructions and take verbal direction in English, read messages on a pager, and communicate with staff on phone and/or in person is required. You must be able to use cleaning supplies and equipment and our staff will thoroughly train candidates to meet sanitation standards. Since you will be on your feet and bending for the entire shift, it's important that you are able to do so.
