

LET US PAY FOR YOUR CERTIFICATION

COMMUNITY HEALTH WORKER

A State recognized Community Health Worker Certification can open doors to a wide variety of professional in-demand jobs in healthcare. Employers are hiring now for jobs like: Resource Navigators, Therapeutic Mentors, Behavioral Health Technicians and more.

About the training

- ✓ No prior healthcare experience needed. We value your cultural background and knowledge.
- ✓ Online accelerated 6 week format gets you to work faster
- ✓ Classes start September 4th - twice per week

This program is grant-funded and requires specific eligibility criteria, including being 18+ with HS diploma or equivalent and living or working in the greater Boston area including MetroWest and North and South of Boston. Income guidelines apply.

Benefits

- ✓ Graduates receive resume help and employer screening/interviews upon completion
- ✓ A flexible certification that prepares you for many different jobs
- ✓ \$500 placement bonus plus extra supports provided to ensure your success
